Nitrogen 1996 Index

ARTICLES

Ammonia technology
Pinch and exergy analysis of a fertilizer complex, part 1 — Nov/Dec, p39
Revamping: apt response to India's energy problem — May/Jun, p33
Uhde introduces new combustion chamber for secondary reformers — Jul/Aug, p33

Ammonium nitrate technology
Safe production, handling and storage of ammonium nitrate — Sept/Oct, p34

Companies
Ammonia Casale celebrates 75 years — Sept/Oct, p25
BASF in Russia — Jan/Feb, p23
Gazprom: interesting times — Nov/Dec, p19
Key nitrogen fertilizer producers in South Africa — Sept/Oct, p22
Uhde: 1921-1996 — Sept/Oct, p29

Legislation
Ammonium nitrate on trial — Jan/Feb, p15
The changing interpretation of liability law — May/Jun, p23

Markets
Arabian Gulf – natural gas industry — May/Jun, p12
Arabian Gulf – ammonia, urea and methanol industries — Jul/Aug, p23
The global market for urea — Sept/Oct, p31
The South African fertilizer industry — Sept/Oct, p17
Vietnam – Asian dynamo or paper tiger? — Jan/Feb, p19

Methanol technology
Autothermal reforming turns methanol synthesis purge gas into a low-cost feedstock — Jul/Aug, p37; Nov/Dec, p27
Electric motors: a cost-effective driver — Mar/Apr, p31
ICI Experience in methanol, Part 1 — May/Jun, p27
ICI Experience in methanol, Part 2 — Jul/Aug, p42
Low-cost routes to higher methanol capacity — Nov/Dec, p31

Nitric acid technology
Catalysts for NOx abatement — Mar/Apr, p35
Grande Paroisse improves ammonia conversion — Mar/Apr, p47
Industrial experience with Degussa's knitted Platinit gauzes — Jan/Feb, p43
Nitric acid catalyst customisation — Mar/Apr, p39
Nitric acid producers' meeting — Mar/Apr, p11
Sandvik's special stainless steels — Mar/Apr, p43

Shipping
Methanol producers step forward — Nov/Dec, p15

Urea technology
A lower-cost design for urea — Jul/Aug, p29
Corrosion control in urea plants — Sept/Oct, p39
Ferrara refines its granulation process — Jan/Feb, p51
Pinch and exergy analysis of a fertilizer complex, part 1 — Nov/Dec, p39
Stamicarbon urea symposium report — May/Jun, p19
Stamicarbon's *Urea2000plus* process — Jul/Aug, p29

Special supplements
1995 World methanol conference & exhibition review — Jan/Feb, p30
Asia Nitrogen exhibition guide — Jan/Feb, p28
Asia Nitrogen conference review — Mar/Apr, p13
New format for nitric acid meeting — Jul/Aug, p3
Nitrogen fertilizer project listing — Mar/Apr, p23
Nitrogen '97 conference and exhibition preview — Nov/Dec, p26
Methanol project listing — Nov/Dec, p24

NEWS

Nitrogen industry
Argentina
Agrium to build new import terminal — May/Jun, p7
Argentine project under threat — Mar/Apr, p9
New player joins scramble for fast-growing market — Nov/Dec, p8
PASA plans new ammonia/urea complex — Jan/Feb, p10

Australia
BHP moves forward on Queensland AN plant — Nov/Dec, p9
New EGAN plant for NE Australia — Jul/Aug, p12

Bahrain
GPIC financing agreed — Jan/Feb, p11

Bangladesh
KAFCO rescue plan nearing completion — Sept/Oct, p10

Canada
AN plant to move to Manitoba — May/Jun, p7
Saskferco to expand urea production — May/Jun, p7

China
Another new urea plant for China — Nov/Dec, p10
Chinese introduce fertilizer tariff — Jan/Feb, p11
Five year plan aims to double urea capacity — Mar/Apr, p9
More urea for China — Sept/Oct, p12
Urea expansions continue — Jul/Aug, p11

Chile
Rival EGAN plants planned for northern Chile — Jan/Feb, p10

Colombia
New urea plant slated for Cartagena — Nov/Dec, p8

Egypt
Abu Qir profits from Semadco's deficit — Jan/Feb, p10
Uhde wins Abu Qir 3 contract — Mar/Apr, p8

Europe
EC cuts fertilizer tariffs Jan/Feb, p8
EFMA still concerned over Russian 'dumping' Nov/Dec, p8
Further cut in set-aside proposed Jul/Aug, p10

Finland
Kemira profits up 78% Mar/Apr, p9
Kemira sales up Jul/Aug, p12

France
Revamp for French ammonia plant Nov/Dec, p10

Germany
Krupp-Hoesch to buy Uhde Jan/Feb, p8
Krupp acquires Uhde May/Jun, p8

India
Arrests made over urea import scandal Jul/Aug, p10
End to gas shortages still a long way off Sept/Oct, p10
Government boosts DAP subsidy Jul/Aug, p11
Kribhco to expand Hazira complex Sept/Oct, p12
New project announcements Nov/Dec, p9
NFL will not lose license over import scandal Nov/Dec, p9
US freezes MMTC funds Nov/Dec, p9

Indonesia
Kaltim chooses Stamicarbon for new urea plant Nov/Dec, p9
Kaltim to expand urea capacity Mar/Apr, p9

Iran
Iranian plant on-stream Mar/Apr, p9
New urea export capacity announced Nov/Dec, p9
Qeshm plant may be abandoned Sept/Oct, p10
Qeshm plant stalls again over gas pricing Jan/Feb, p11

Italy
Enichem sale finalised Jul/Aug, p10
Hydro secures deal over Terni site Nov/Dec, p8

Malaysia
Another contract for Mitsubishi Jul/Aug, p12

Mexico
Agronitrogenados to switch from prilled to granular urea Jul/Aug, p10
Farmland-Terra joint bid for Cosoleacaque Jan/Feb, p10
Government dilutes privatisation plans Nov/Dec, p8
Privatisation plans may be abandoned Jul/Aug, p10
Three buyers line up for delayed Pemex privatisation Mar/Apr, p8

Myanmar
Mitsui signs MOI on Yadana project May/Jun, p8

Netherlands
DSM to build new urea plant Mar/Apr, p8

Norway
Hydro completes Nutrite buyout Mar/Apr, p9
Hydro results show improvement for agriculture Sept/Oct, p9
Norsk Hydro continues global expansion May/Jun, p8

Oman
Sur plant delayed Jan/Feb, p10
Sur plant still moving ahead Sept/Oct, p10

Pakistan
Engro to expand further Mar/Apr, p9

Poland
Polish fertilizer use up Jul/Aug, p11

Russia
Export quotas 'may damage fertilizer industry' Jul/Aug, p10
Government acts to control fertilizer shortage Jan/Feb, p8
New terminal to open at Kaliningrad Jan/Feb, p8

Saudi Arabia
Five companies chase Safco contract Sept/Oct, p12
New urea plant for Saudi Arabia Nov/Dec, p10

South Korea
Revamp contract goes to Incro Jan/Feb, p10

Syria
India considering Syrian urea venture May/Jun, p8

Trinidad
Arcadian will build another new Trinidad plant Jan/Feb, p11
Farmland Misschem seeks new site for ammonia plant May/Jun, p7
Farmland Misschem selects new site Jul/Aug, p10
Kellogg to build Farmland Misschem ammonia facility Mar/Apr, p8

UAE
SPIC plans production facility in Jebel Ali Sept/Oct, p10

United Kingdom
Survey shows UK N use rising Jul/Aug, p12

United States
Agrium to shelve Mid-west plans Nov/Dec, p10
America turns to coal gasification Nov/Dec, p7
Ammonia plant on the move Mar/Apr, p9
Ampro to expand NH_3 production by 25% Jan/Feb, p7
Arcadian to build new nitric acid capacity Sept/Oct, p9
Coastal to build Texas ammonia facility Nov/Dec, p10
COGA passes first hurdle May/Jun, p7
DEA warning on ammonia misuse Jul/Aug, p9
DGC faces closure over FERC ruling Mar/Apr, p7
DGC starts up novel AS plant Jul/Aug, p9
Enhanced ammonia recovery May/Jun, p8
EPA report on Port Neal highlights operating deficiencies Mar/Apr, p7
Farmland plans capacity increase Jan/Feb, p11
Huge coal-based fertilizer plant planned for Illinois Jan/Feb, p7
Merger fever hits US fertilizer companies Nov/Dec, p7
Misschem expands Yazoo City complex May/Jun, p7
Mississippi awards contracts for new ammonia plant Sept/Oct, p9
Mississippi settles Port Neal injury claims Jan/Feb, p7
Oklahoma bombing case dismissed Jul/Aug, p9
PCS tops Freeport bid for Arcadian Sept/Oct, p9
Peer review substantiates EPA report Nov/Dec, p7
TFI launches awareness program Mar/Apr, p9
TFI sues over nitrate listing Jul/Aug, p9
Uhde wins CF Industries' upgrade contract Jan/Feb, p7
Unocal settles with EPA Sept/Oct, p12
Urea and AN manufacturers sued over World Trade Center bombing Mar/Apr, p7

Venezuela
Feasibility study on ammonia/urea complex — Jan/Feb, p8

Vietnam
BHP awaits Vietnamese go-ahead — May/Jun, p8

Yugoslavia
Yugoslavia tries to cure NPK shortage — Sept/Oct, p12

Gas and methanol industry

Afghanistan
Pondering the effects of a Taleban victory — Nov/Dec, p13

Algeria
BP clinches $3.5bn In Salah deal — Jan/Feb, p13
Total, Exxon move in on BP's coat tails — Mar/Apr, p11

Australia
BHP cancels methanol project — Nov/Dec, p13
BHP records a drop in profits — Jan/Feb, p14
MGC abandons Australian methanol venture — Nov/Dec, p13

Bangladesh
Bangladesh gas find — Jan/Feb, p14

Canada
Methanex profits slip in difficult year — May/Jun, p9
Methanex results back down to earth from last year's record — Sept/Oct, p13

Chile
Chile III is go, says Methanex — Nov/Dec, p12
Chilean methanol plant on track — Mar/Apr, p12
Methanex considering third methanol train — Jul/Aug, p15
Transgas pulls out of Chile project — Sept/Oct, p14

China
China may peacefully settle claims to South China Sea — Mar/Apr, p12

India
LNG plans becoming firmer — Nov/Dec, p12
New methanol plant for Assam? — Nov/Dec, p13

Indonesia
Gas prices to reach market norms? — Sept/Oct, p16
Major gas grid gets green light — Jul/Aug, p15
More methanol production for Kaltim? — Jul/Aug, p15

Iraq
Iraqi methanol plant awaits end of sanctions — Mar/Apr, p12

Iran
Kharg Island funding complete — Nov/Dec, p13
Turkey signs $20bn deal — Sept/Oct, p13

Japan
JEC invites floating methanol rig designs — May/Jun, p9

Myanmar
Sanctions may hit US companies — Sept/Oct, p14
Total, Unocal sued over pipeline project — Nov/Dec, p13

Nigeria
LNG terminal to go ahead despite protests over executions — Jan/Feb, p13

Norway
Methanol plant ahead of schedule — May/Jun, p9

Norway/USA
Methanol to olefins process license available — Jan/Feb, p13

Oman/India
Oman-India line 'officially dead' — Nov/Dec, p13
Pipeline project in doubt, admits Oman — Mar/Apr, p11

Peru
Rivals join forces over Camisea project — Jul/Aug, p16

Poland
Part of Polish section of Yamal-Europe 'will be operative this year' — Mar/Apr, p11

Qatar
Qafac requests second bidding round — Mar/Apr, p12

Russia
Gazprom share offer to occur 'soon' — Jul/Aug, p16
Production-sharing law leaves questions unanswered — Mar/Apr, p11

Saudi Arabia
Further expansions to MGGS planned — Nov/Dec, p12
Neste to join Saudi MTBE scheme — Sept/Oct, p14
RCF proposes Indo-Arabian methanol joint venture — Nov/Dec, p12

Spain/Algeria
Mahgreb line open for business — Nov/Dec, p11

Trinidad
Repsol buys into Atlantic LNG — Jan/Feb, p14
Saturn announces new methanol plant — Jan/Feb, p14
T&T looks to improve reserve situation — Jul/Aug, p16

UK/Argentina
BG-YPF lose out in Falklands bid — Nov/Dec, p11
British Gas in Falklands license bid — Jan/Feb, p14

United Kingdom
BP forecasts growth for acetic acid — May/Jun, p9
BP gas production up 24% — May/Jun, p9
BP gas production increases — Sept/Oct, p14
New methanol plant for Scotland — Nov/Dec, p11

United States
AGA highlights use of NGVs at Olympics — Sept/Oct, p14
AGA study predicts steady US gas prices to 2010 — Jul/Aug, p16
Coal to methanol demonstration plant — Jan/Feb, p14
EPA pushing for expansion of RFG programme — Nov/Dec, p11
New syngas facility opens — May/Jun, p9
Study flags MTBE health question — Sept/Oct, p13
Study predicts softer methanol market — Sept/Oct, p14
Texaco unveils 1996 exploration programme — Mar/Apr, p12
US gas demand to rise by 4.9% — Jan/Feb, p14

Vietnam
Mobil and Unocal enter as BG leaves — Jul/Aug, p15
